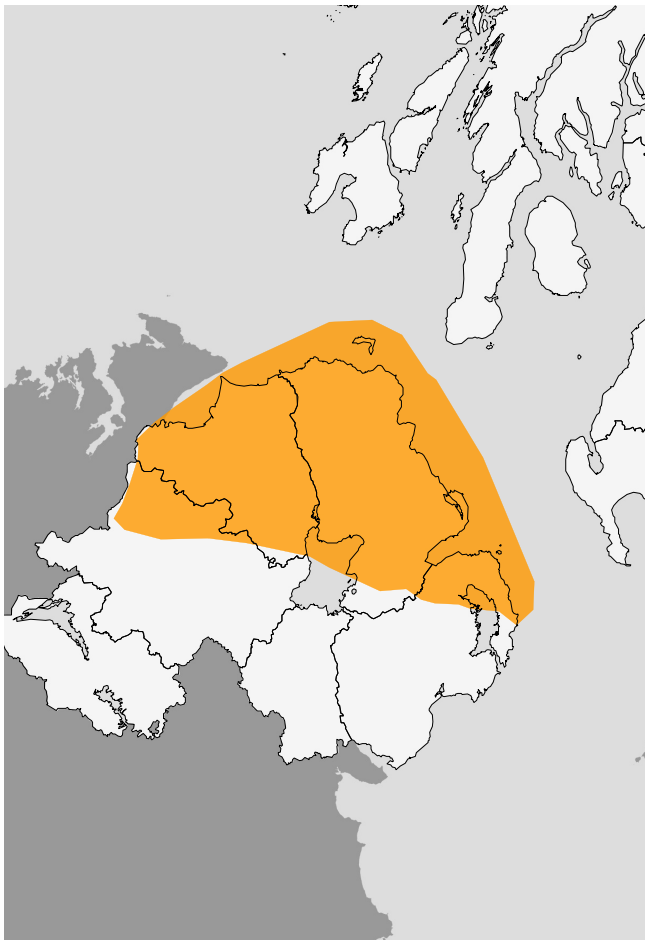
Amber warning
Wind

Between
00:00 Mon 21 Feb 2022 and
07:00 Mon 21 Feb 2022



A spell of very strong winds associated with Storm Franklin will bring disruption to parts of Northern Ireland early on Monday.

What to expect

- Flying debris is likely and could lead to Injuries or danger to life
- Probably some damage to buildings, such as tiles blown from roofs, along with trees/branches being brought down
- Longer journey times and cancellations likely, as road, rail, air and ferry services may be affected
- Some roads and bridges likely to close
- There is a good chance that power cuts may occur, with the potential to affect other services, such as mobile phone coverage
- Injuries and danger to life is likely from large waves and beach material being thrown onto coastal roads, sea fronts and properties

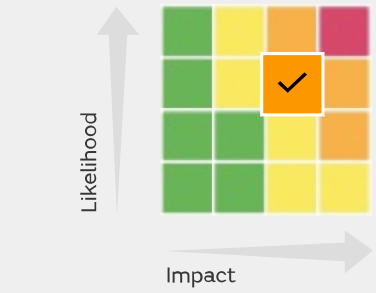
Wind

Between
00:00 Mon 21 Feb 2022 and
07:00 Mon 21 Feb 2022

Further details

A swathe of very strong west to northwesterly winds will reach the north coast of Northern Ireland late on Sunday evening, quickly moving south into the early hours of Monday. Gusts of 60-70 mph are expected widely and perhaps 80 mph briefly near exposed northern coasts.

Winds will ease steadily from the northwest during Monday morning.



Medium likelihood of medium impacts
